And a little surprise.....from The Lost Abbey guys.

13 special edition brews, 1000 bottles of each, only sold to be enjoyed at the brewery. 500 of these 1000 bottles were released as The Ultimate Box Set, packed in a hand build, numbered road cases, full size album art etc sold at a lottery at the brewery.....why are we telling this...

The Lost Abbey thought Drikkeriget should have the final few cases left from the lottery....we think you guys shall have it.....or have the chance to buy.

Everybody participating in the dinner will get the chance to buy 1 Ultimate Box Set for the same price as they were sold at the brewery (more or less) 2500 Dkr.

Tickets are for sale NOW, send an email to sourbitter@drikkeriget.dk and we will let you know how you get yours!
